Graduation REGISTRATION and Checkout Requirements

To graduate, students must be registered during the term in which they complete their program.

An exception to this registration policy allows students to complete an early checkout in the spring semester if all requirements have been successfully met by a particular deadline. For additional information, refer to <https://www.mines.edu/graduate-studies/graduation-deadlines/>.

All graduating students must officially check out of their degree program prior to graduation. Notification of the checkout steps will be sent by the Graduate Office after a student has applied to graduate. Checkout requirements must be completed by the established deadlines for each graduation term.

For detailed information on Graduation, please see the Graduation tab under Academic Regulations.
